

job description

- Job Title:** Print Finisher / Designer
- Job Role:** Working closely with the Studio design team and liaising with Set & Scenery team, the ideal candidate for the above position will be required to turn design into high quality large format print solutions.
- Date Job Posted:** 25 January 2012
- Job Location:** Sounds Commercial - The Setworks
Unit 1, Rose Green Road
St George
Bristol
BS5 7XE
- Application Deadline:** Monday 27th February 2012
- Description:** The ideal candidate should be self motivating, be able to work under their own initiative and as part of a team. A thorough working knowledge of producing high quality large format printing is vital, as well as coming up with creative ideas to print solutions for stage sets, interior large format graphic displays, exhibitions, banners, signage etc. A working knowledge of printing, the finishing process, including laminating, trimming and mounting and competence with using a HPDesignjet printer, vinyl plotter and laminator is vital. Knowledge of Adobe Creative Suite (Photoshop, Illustrator & Indesign) and Onyx Postershop software is required for this role.

In Addition the role will require you to:

- erect large format print in situ and see the project from initial concept through to completion.
- have excellent communication skills with an eye for detail, checking artwork and the ability to work to tight deadlines.
- effectively monitor and order print materials, with the aim of eliminating waste.
- manage your workload with flexibility in working hours to meet tight deadlines and liaise with the Studio Co-ordinator.
