

job description

- Job Title:** Hotel In-house Technician
(Audio Visual & Conference Staging)
- Job Role:** Based at one of the most prestigious Hotels in the Bristol City Centre, the successful candidate will assist in the planning and selling of presentation / AV equipment and services for forthcoming conferences and events, taking overall responsibility for the set-up and operation on the day.
- Date Job Posted:** 17 May 2010
- Job Location:** Bristol Central
- Application Deadline:** Friday 18 June 2010
- Description:** The ideal candidate will have 2 – 3 years experience in the audiovisual / presentation industry essential. You must be self-motivated and organized, confident and well presented. You must be prepared to work the sometimes unsociable hours associated with the industry. This may include a rotating call out Rota and occasional weekend work.
- A current, clean driving license is essential and it's advantageous to be based within 40 minutes traveling time of Bristol City Centre.
- Please let us know your salary expectation upon application and why you would like to work for Sounds Commercial.
- Who to contact:** Please forward your CV with a covering letter to Kieran Murphy, k.murphy@soundscommercial.co.uk or by post to:
